They'll be presenting a program of various works written for 4-hands 1 piano and 2 pianos that you can teach in your studio as well. All of the chairs will be present to answer questions about the competitions /festivals /auditions. We look forward to seeing you there!

## Call for New Board Members

None of these events will be made possible without the help of many teachers who volunteer their times. Here are the CAPMT VIII board members for year 2012-2013:

Kathy Anzis has graciously volunteered to serve as our new Student Evaluations Chair. Student Evaluations is a great annual program designed to encourage a balanced musical growth in our students in areas of performance, technique and theory. Hope you'd consider entering your students for this year's event. Please contact [Kathy.anzis@gmail.com](mailto:Kathy.anzis@gmail.com) with any questions.

We would also like to thank Dr. Miji Kim for volunteering to serve as the new co-chair for the Honors Auditions along with already serving Mami Higashi.

We're still looking for co-chairs for Student Recitals and Sonata / Sonatina Festival. Please email the coordinator at [minz319@hotmail.com](mailto:minz319@hotmail.com) if you're interested.

## CAPMT VIII & OCS Young Musicians Concerto Competition

We're excited to announce our collaboration with Anaheim's Orange County Symphony conducted by Dr. David Rentz. Hope you plan on sending a lot of students for this valuable experience of being able to perform with a live orchestra. For more information on the Orange County Symphony, please refer to their website [www.ocsymphony.org](http://www.ocsymphony.org). If you have any questions about the competition, please email the coordinator at [minz319@hotmail.com](mailto:minz319@hotmail.com).

## Saddleback Piano Class

Saddleback College is offering piano class free or charge to advanced high school students. The class is run master class style and is not designed to replace private lessons. Please see the attached information sheet (attached to the same email) and registration sheet. Email Dr. Kirill Gliadkovsky with any questions at
